

Public Procurement Law and Bid Protests

What does it take to win or dispute a public construction bid in Mississippi? Learn about the legal issues involving public construction procurement and the bidding process. Knowing the law up front can help you through the public construction bidding process.

Presenter: Dorsey R. Carson, Jr.

A member of the Arkansas, Georgia, Mississippi and American Bar Association, Dorsey specializes in legal matters involving construction, government contracts, partnership disputes, intellectual property, and general commercial matters. Dorsey is an attorney for numerous construction projects such as highways, public schools, manufacturing facilities, health laboratories, power plants, military facilities, industrial construction projects, commercial buildings, and subdivision developments.
