

SAFETY SHIELD

Your Company's Personal Safety Representative

HOW CAN SAFETY SHIELD HELP IMPROVE PROFITABILITY?

- Establishes an Effective & Efficient Workplace Safety Program
- Reduces Insurance Premiums
- Reduces Worker's Compensation
- Ensures Regulatory Compliance
- Improves Risk Management
- Enables Proactivity
- Creates Safety Awareness Culture
- Increases Management & Employee Accountability

ABC Mississippi is excited to announce **Safety Shield** for our member companies. This new program provides your company with access to a safety professional. Our team understands the costs associated with having a full time safety professional on payroll. With this new program, ABC Mississippi will provide a safety resource in a format that is customized for your requirements.
