ANNUAL SPONSORSHIP PROGRAM

// INVEST IN YOUR ASSOCIATION

The most cost-effective way to market your company to construction-related firms in the state of Mississippi.

OUR MISSION

To protect and enhance the free enterprise system and the Merit Shop philosophy in the Mississippi construction industry and to be its principal representative.

ABOUT US

The ABC Mississippi Chapter was founded in 1973 and is positioned as one of the largest ABC chapters in the nation. Representing over 100 general contractors, over 300 subcontractors, over 100 suppliers and over 100 associate members; ABC Mississippi is the largest and most diverse construction trade association in Mississippi.

Key services and activities include government representation, safety and education, simplified job and plan access, member discounts, insurance programs, access to key construction industry publications and social networking events.

SPONSOR PROGRAM SUMMARY

The Annual Sponsor Program began in 2007 with 23 companies. The program has grown each year and most recently included 60 companies participating in 2024. With three levels to choose from; the program provides a predetermined amount of exposure and investment at a greatly discounted price.

It is important to bring your company's name to the forefront, and the annual sponsor program will do that for you. Review the various sponsorship levels available inside this brochure and make a commitment to your association, ABC Mississippi, for 2025.

Silver and bronze level sponsors that return applications by December 8, 2024, will receive a complimentary one-year subscription to Online Plan Room (\$600 value). Gold level sponsors will automatically obtain a one-year subscription to Online Plan Room. All levels of sponsorship must commit by December 8, 2024. For convenience, sponsorship payments may be made in full or divided into quarterly installments.

Let's work together to keep our chapter the strongest in the nation. If you have any questions, please contact ABC Mississippi at 601.944.0421.
